HOME-BASED OPPORTUNITIES

Years 8 – 11: Assisting younger siblings, neighbours or relatives in the student's home in terms of reading, sport skills, musical instruments.

Year 8 only: Assisting parents. Some examples are babysitting, garage sale, painting, shed construction/demolition, gardening.

Year 9 – 11: Students are not allowed to use 'assisting parents' for Waterford.

Due to various reasons (ie Child Protection Act) the College does not recommend students to volunteer for the following activities: nursing home, neighbours and other venues/activities which require volunteering/working with adults who are not family members. Students should complete their hours in the home and/or the activities mentioned above in the school-initiated section. If a student or parent wishes their son to complete an activity outside of the area mentioned above they should contact the Social Justice Coordinator at the College to discuss the issues.
