

**ST EDWARD'S
COLLEGE**
WHERE YOUNG MEN ACHIEVE

February 2019

Dear Parent/Guardian

Your son will be attending a Science excursion on Thursday 7th March 2019 (Week 6, Term 1) to Taronga Park Zoo, Sydney. This excursion is linked to the classification component of the Stage 4 Science Syllabus and will form part of their practical component of this topic.

Students will be travelling by school bus departing the college at 8.15am and will return to the college between 4.00 and 4.30pm. Please make the necessary arrangements for your son to get to and from school as these times are outside normal school hours. If you are picking your son up from school and we are stuck in traffic an attempt will be made to post this on the school Facebook page.

Students are required to wear their College sport uniform (including black hat). They are also asked to bring with them their recess, lunch and drinks, as well as a clipboard and pen.

Please complete the slip below and return to your son's Science teacher by Tuesday 5th March. Do not hesitate to contact me if you have any enquiries.

Yours faithfully

Ms Kristen Mantellato
Assistant Leader of Learning - Science
