## St Edward's College Trial HSC Timetable – Monday 5<sup>th</sup> August to Monday 19<sup>th</sup> August 2024

### ***Please note the following examination rules, expectations and procedures for the Trial HSC Exams:***

- *Students will enter the specified examination room prior to the commencement of the examination in silence – do not speak once in the exam room.*
- *No toilet breaks in the first hour and last 15 minutes of all exams. Only under extreme circumstances will a student be permitted to attend the bathroom during an examination. A record of who leaves the exam room will be kept.*
- *Students are expected to bring all required equipment to examinations – black pen is preferred – bring spares.*
- *Students who do not bring the required equipment (pen/pencil/ruler/eraser/calculator etc) for an examination will still be required to complete the exam and will not be loaned the equipment.*
- *A see-through water bottle is permitted in the exam – water only. No food.*
- *Mobile phones, smart watches and other devices are not permitted in the examination room – devices must be left in student schoolbags or lockers and must be switched to silent.*
- *Students who talk or communicate during the examination or bring notes/prompts into the examination (unless permitted) will be reported to the Director of Curriculum and face various consequences, including receiving zero for the task.*
- *Students are not to deface or scribble throughout the examination paper. Any cases will be reported to the relevant Leader of Learning and Director of Curriculum, who will apply consequences, including the possibility of awarding a Non-Serious Attempt. No working out on MC answer sheet.*
- *Students who miss a scheduled examination are required to make contact with Mr Butt as soon as practically possible. If a student misses an examination for a valid reason, they are required to complete the Illness/Misadventure form on the College website – ensure documentation is attached to this form (e.g. Medical Certificate, Police Report etc). All missed tasks will be required to be sat at the first available opportunity (i.e. the first available opportunity after your medical certificate end date) – you will be notified of this via email.*
- *Students are expected to check their email regularly throughout the Trial HSC Exam period – all important communication regarding changes to exams, rescheduled exams etc will be made via SEC email. Not checking your email during the Trial HSC Exams is not a valid excuse for missing an exam, even if it is a rescheduled exam.*
- *All regular Year 12 classes throughout the Trial HSC period are cancelled – you only required to attend school when you have an exam.*
- *For all exams in the ERC and Theatre, students will meet at the Grandstand. For exams in other locations, meet outside the allocated room. Arrive at least 15 minutes prior to the scheduled start time – do not be late.*
- *Students will be directed into the exam room under teacher supervision.*
- *Special Provisions Examinations will be conducted in Rooms 61-63 – if this applies to you, it will be reflected on your portal.*
- *At the conclusion of an Examination, students will go home – if you finish an exam early you are still required to sit in the exam room for the remainder of the exam time – you will not leave early.*
